# WHISTLEBLOWER HOTLINE

The Los Angeles Community College District Office of the Inspector General maintains the Whistleblower Hotline for reporting allegations of fraud, waste, or abuse related to our \$5.7 Billion Bond-Funded Building Program.

We encourage contractors, employees, consultants and the public to speak up about any issues related to the LACCD Bond Program without fear of reprisal.

## TALK TO US!

If you have information about possible misappropriation of Bond Program funds or resources, we encourage you to report what you know to the Office of the Inspector General.

You are strongly encouraged to provide as much detail as possible so we are better able to investigate your concerns. Please provide a detailed description of the activity you are reporting, and include the names of the individuals and departments involved, dates, times and location of the incident(s).

Finally, if you wish to have the Office of the Inspector General contact you, please provide your name, phone number and email address, along with your preferred method and time for contact. If you wish to remain anonymous, you may do so by omitting all personal information. To the extent permitted by law, the Office of the Inspector General will treat all information as confidential including the identity of persons coming forward to file reports.

The Hotline is available 24/7 and is operated by a third-party service to maintain confidentiality.

*On behalf of the Inspector General, we thank you for your cooperation and interest in the welfare of the LACCD Bond-Funded Building Program.*
